7. Equal Opportunities

We try to take unavoidable personal restrictions in your academic work into consideration. Therefore, we would like to give you the opportunity to briefly explain your personal circumstances that lead to a special need in the implementation of your international activity in your application. We invite you to take this need into account when designing your activity and your application.

In order to raise the awareness of the researchers involved in the review process before reading your application, we ask you to briefly explain the needs arising from your unavoidable personal restriction. Keep your statements in such a way that they can be passed on to the reviewers (e.g. do not give any diagnoses).

Please enclose proof for your unavoidable personal restriction with your application. This proof will only be checked by the RUB Research School office and is **not** part of the documents which are handed over to the reviewers.

Please explain here in max. 1,000 characters how your stay here is affected by your restriction or why the reviewers should take it into account. An example could be: Due to the birth of my child, more time has passed since my PhD. Due to care obligations, I can only travel for 8 weeks. I have a child and need childcare for this period. I use a wheelchair and need further assistance.
