## Doctoral / Ph.D. project information

Title

Supervisor No.1

Supervisor No.2

Date of Submission  
(dd.mm.yyyy)

Estimated Day  
of Defense (dd.mm.yyyy)

Grade (if applicable)

Summary (max 2800 char.)

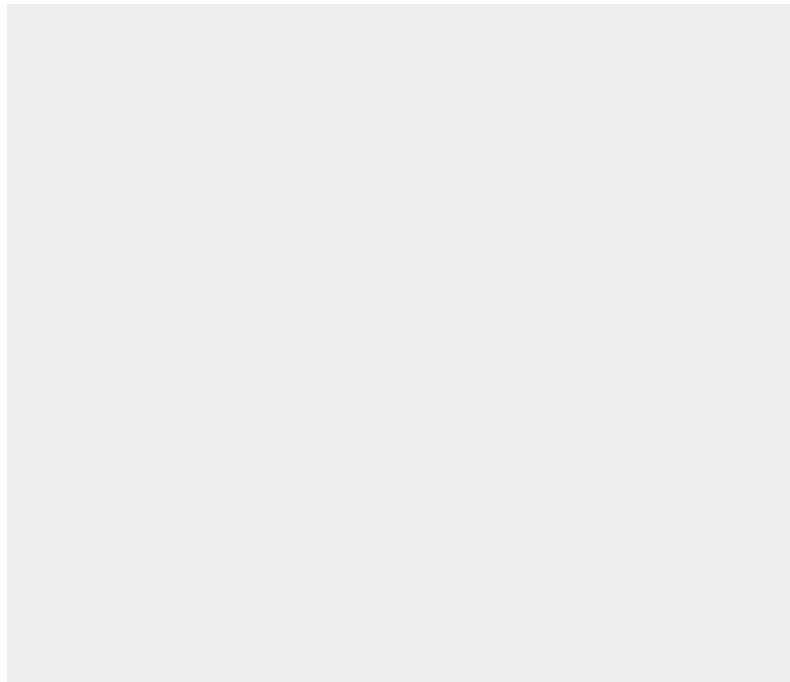

Summarize goals, methods, and results of your thesis and emphasize the impact of your results within your field. RS has the mission to make science accessible to the public. Therefore, you should take it as a challenge of scientific communication to make this part of your application understandable for experts and non-experts alike.

# GATEWAY FELLOWSHIP APPLICATION FORM page 3

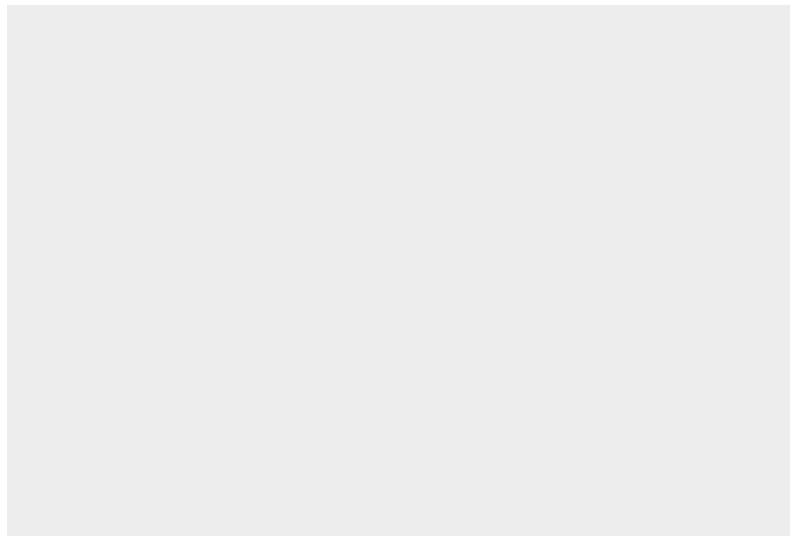

## Scientific and international profile

### Education

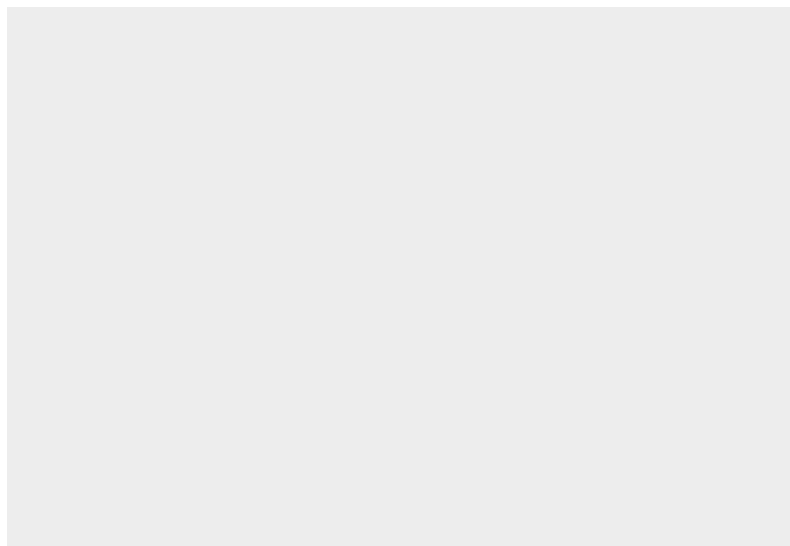

Indicate your fields of study, places of study, and your grades (bachelor, master, diploma etc.)

### Publications

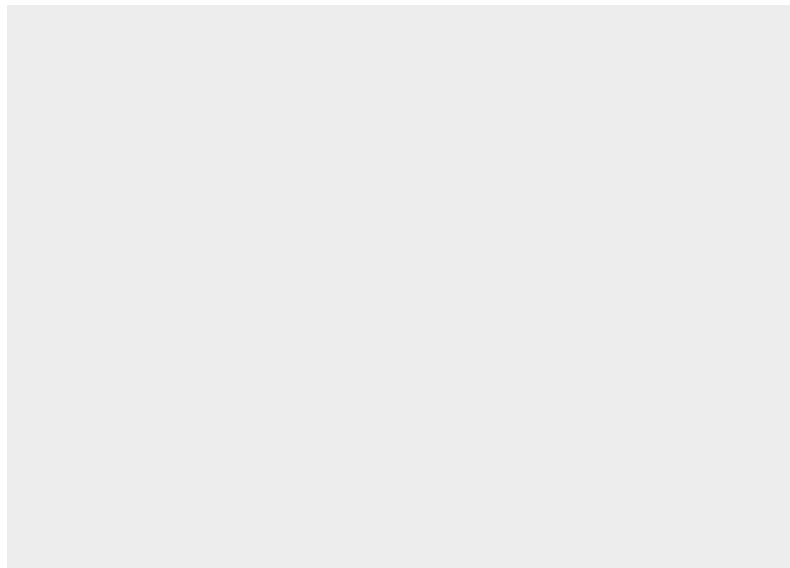

### Conference contributions (talks & posters)

## Gateway Project

Title

Beginning (dd.mm.yy)

End (dd.mm.yy)

Collaboration partner  
(name, host institution,  
country)

Abstract (max. 2100 char.)

Please give a short overview of your project by considering goals, content and importance. RS has the mission to make science accessible to the public. Therefore, you should take it as a challenge of scientific communication to make this part of your application understandable for experts and non-experts alike.

# GATEWAY FELLOWSHIP APPLICATION FORM page 6

## Gateway Project

State of the art & goals  
(max. 4200 char.)

Put your gateway project in relation to the state of the art research field. Please explain how your goals evolved and highlight originality, actuality and importance of your project. Explain the relation of the project to your previous research. Note: The GF is not intended to fund incremental continuation or completion of your previous work.

A large, vertical, light grey rectangular area that serves as a writing space for the applicant's response to the 'Gateway Project' section. It occupies the right two-thirds of the page and is currently blank.

# GATEWAY FELLOWSHIP APPLICATION FORM page 7

## **Gateway Project**

Detailed work plan  
(max. 6300 char.)

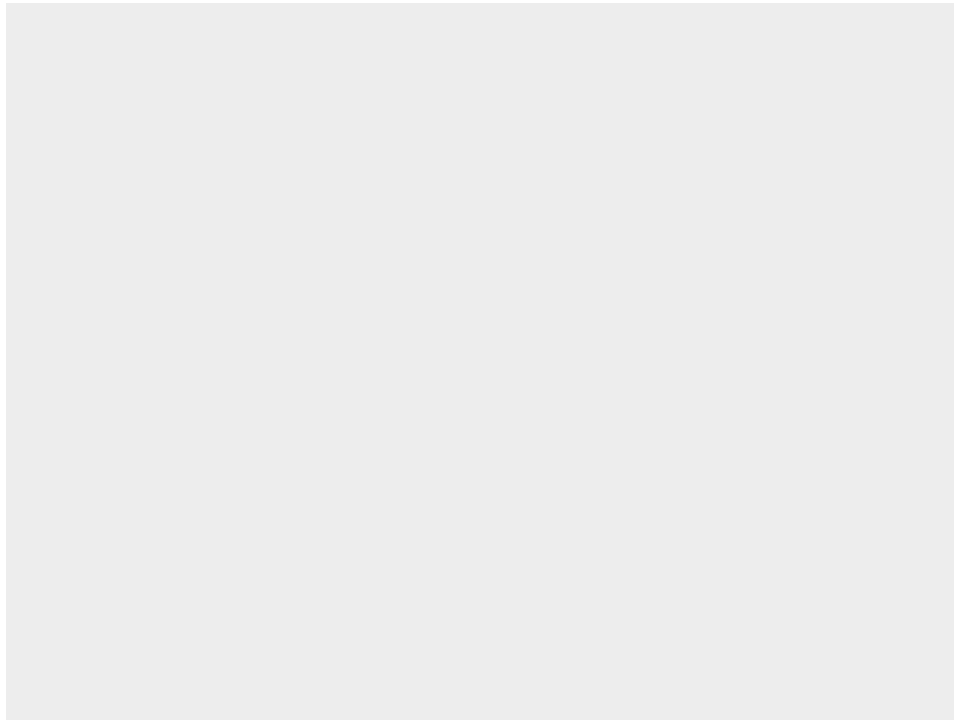

Describe how you want  
to achieve your above-  
mentioned goals (met-  
hods etc.)

A large, solid grey rectangular area that occupies the right two-thirds of the page, intended for the applicant to write their detailed work plan and describe how they want to achieve their goals.

# GATEWAY FELLOWSHIP APPLICATION FORM page 8

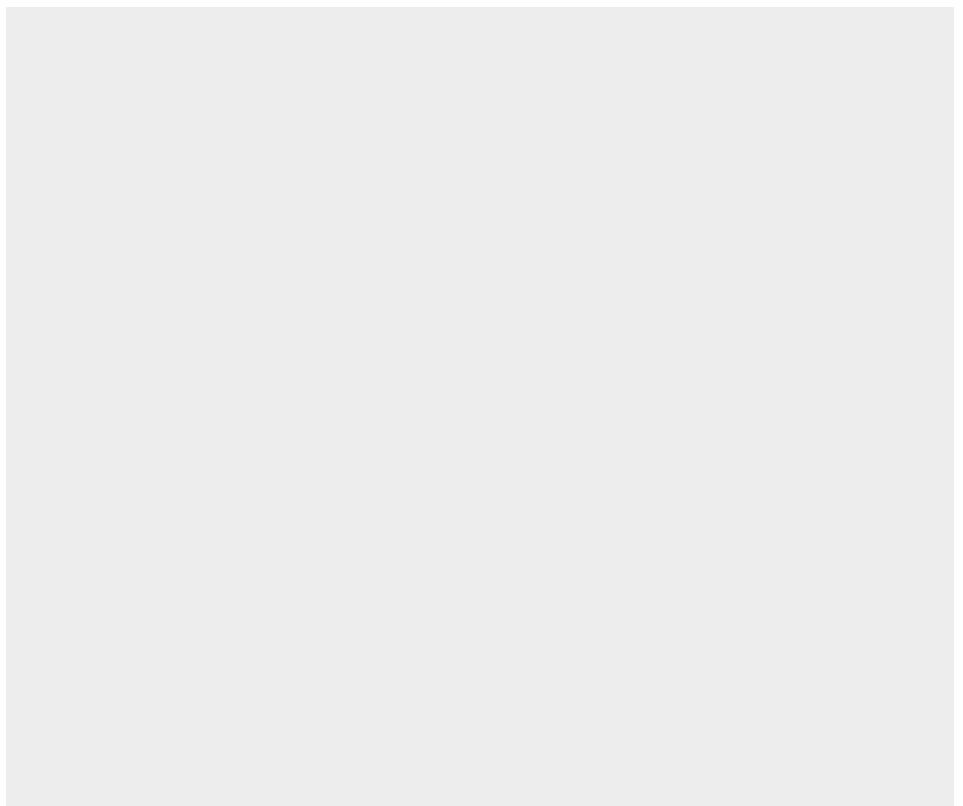

## Gateway Project

Propose criteria for your GF projects success (max. 1500 char.)

Reputation of collaboration partners and fitting to the project (max. 1500 char.)

Indicate the standing of your collaboration partner(s) within your research area. Explain the importance of your partner in correlation to the project and your ongoing postdoc career.

# GATEWAY FELLOWSHIP APPLICATION FORM page 9

## Gateway Project

Impact of the Gateway Fellowship on your future career (max. 1500 char.)

Explain the benefits of the Gateway Fellowship for your international network and give an outlook on your career plans beyond the scope of the GF funding. How would the GF help you to implement your next career steps (e.g. grant application for a longer postdoc project)?

Impact of project on RUB (max. 1500 char.)

The intention of the GF is to pave the way for an international Postdoc phase beyond RUB. Describe potential opportunities for international networking with RUB researchers through your project at the host institution and how you could contribute to RUB's international visibility (ambassador role).

# GATEWAY FELLOWSHIP APPLICATION FORM page 10

## Additional Funding

Other funding for your project?

In case of basic or additional funding (third party or employment), indicate the costs already covered. Indicate whether your collaboration partner is supporting your project financially.

Amount (in Euro)

## Reviewers

Suggest two experienced researchers (postdocs/profs) at the RUB, and two external researchers at either national or international institutions, as suitable independent expert reviewers of your application. These researchers cannot be collaboration partners of previous projects or your suggested Gateway project, neither can they be your PhD supervisors.

## Attachments

Please attach (Only PDF, max 1MB. each)

- (Preliminary) doctoral certificate, OR, submission certificate, OR, confirmation of thesis submission prior to the colloquium
- A list of references/literature, that you used to write the application/project description.
- 1st Letter of Recommendation  
PLEASE NOTE: The first letter of recommendation has to be written by your first supervisor (or your former supervisor if you have already completed your doctorate).
- 2nd Letter of Recommendation
- Invitation Letter
- Document for illustration of research  
If you would like to illustrate your research in the application with charts, schematics or figures, please assemble these illustrations in one document (not more than 2 pages). Please upload this document as PDF file.

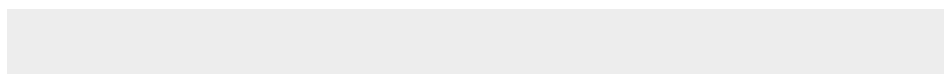

## Statement

I certify that the information provided in this application is accurate to the best of my knowledge. I am aware that false answers, whether intentional or the result of negligence, are illegal and that their discovery will lead to the revocation of my funding. Furthermore, I agree to inform the Research School immediately of any changes or amendments. Incomplete applications will not be considered.

The application and accompanying documents will remain with the Research School. Personal data will be stored in the computer files only to the extent necessary for the administration of applications in compliance with the "Datenschutzgesetz Grundverordnung". I have noticed that third parties will have access to my application in the context of the review process.

I have read the notification about storage of personal data. I accept responsibility for the completeness of my application and agree that this application and accompanying documents shall remain with the Research School.

I have read and accept the information provided on the Research School website on funding and restrictions to additional income during the Gateway Fellowship.
