

Conference Program: Bilateralism and Proof-Theoretic Semantics

Ruhr University Bochum & online

Time (UTC+1)	Day 1, 17.03.2022	Time (UTC+1)	Day 2, 18.03.2022
9:30-9:50	Arrival & Registration	9:30-9:50	
9:50-10:00	Welcome & Organizational Notes	9:50-10:00	
10:00-11:15	Luca Tranchini: <i>Two proof systems for bi-intuitionistic logic</i> Chair: Sara Ayhan	10:35-11:15	Mena Leemhuis: <i>Bilateralism in embeddings of concepts in continuous space</i> Chair: Satoru Niki
11:15-11:30	Coffee Break	11:15-11:30	Coffee Break
11:30-12:10	Sara Ayhan: <i>How bilateral can we go in sequent calculus?</i> Chair: Hitoshi Omori	11:30-12:10	Leonardo Ceragioli: <i>Meaning-dependence and weak separability in bilateral systems</i> Chair: Hrafn Oddson
12:15-12:55	Alexander Gheorghiu: <i>Semantics ex proof and refutation</i> Chair: Hitoshi Omori	12:15-12:55	Pedro del Valle-Inclan: <i>Normalisation and harmony in bilateral logic</i> Chair: Hrafn Oddson
12:55-14:15	Lunch Break	12:55-14:15	Lunch Break
14:15-15:30	Nils Kürbis: <i>Supposition: A problem and a solution for bilateralism</i> Chair: Heinrich Wansing	14:15-15:30	Peter Verdée: <i>Constitutional logics: Building bilateral inference from direct grounding rules</i> Chair: Sara Ayhan
15:30-15:45	Coffee Break	15:30-15:45	Coffee Break
15:45-16:25	Matteo Tesi: <i>Fractional semantics - Breaking the symmetry between truth and contradiction</i> Chair: Andrew Tedder	15:45-17:00	Heinrich Wansing: <i>Some remarks on logical bilateralism</i> Chair: Nils Kürbis
16:30-17:45	Greg Restall: <i>Natural deduction with alternatives</i> Chair: Andrew Tedder		
19:30	Conference Dinner: Karawane	19:30	Informal Dinner
