

Invitation letter by the host supervisor of RUB covering:

- Motivation:
Main goal of invitation (cooperation/recruiting). How did you get in touch with potential guest?
- Scientific reasoning:
Description of guest's research project matching personal research and/or of your research group
- Your benefit:
Impact on research group and RUB. Are any other players involved?

Please consider checking language skills of the applicant by phone or Skype.

Please send your signed invitation letter via e-mail to joern.benzinger@uv.rub.de
